Distances to start:

Middle:

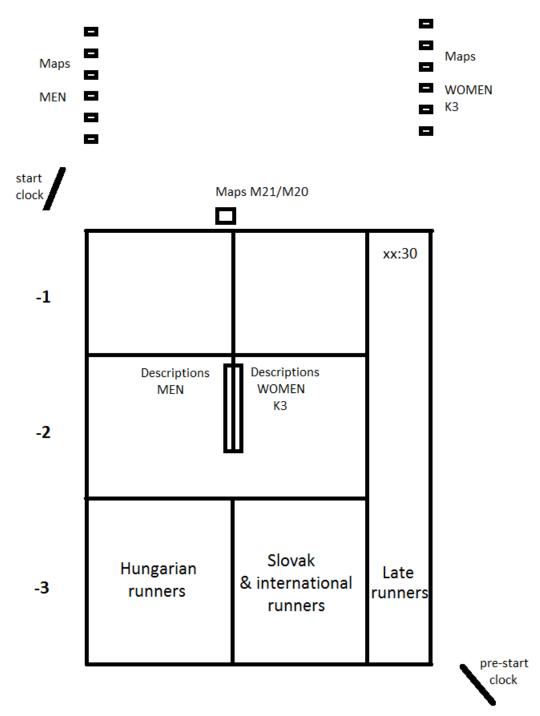

Start 1 EP- Start1: 1100 m, 50 m of climbing, blue marks Start 2 EP- Start2: 300 m, 25 m of climbing, blue marks

<u>Start</u> 2 is for categories: W65, W70, M75, M80, W10D, W10DK, W12C, M10D, M10DK, M12C a Open. For other categories is Start 1

Entering the start cordon 3 minutes before the start time. Hungarian runners and Slovak runners (+ those of other countries) enter into different (parallel) cordons. Extra symbols may be taken in the cordon. The maps may be taken after the start beep. M20 and M21 run combination courses thus every runner should take the map with his start number. The category name in extra symbols is M20E1/M21E1 for odd and M20E2/M21E2 for even start numbers.

Layout of star 1:

The clothes left at the Start will transported to EC, without any responsibility. **Warning! The late runners** may start **in the 30th second** of the next minute.

Štart štafiet je v CP.

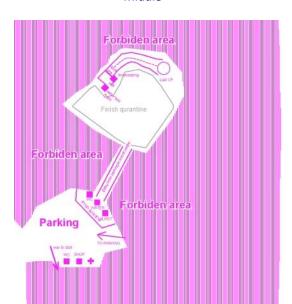

Relay handover:

Runner who is running to the finish have to throw out his map on the marked place before finish. Then he continues by the right corridor to the finish. On the finish line he punches the SI unit and then he passes the relay to other leg. Runner on the last leg also have to throw out his map, then he continues to the finish by the left corridor. In case of a tight finish, referee will say who crossed the finish line first.

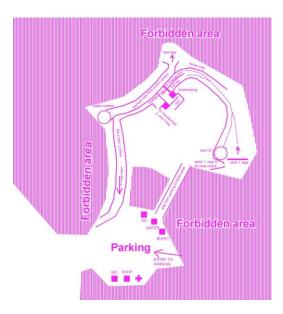

Illustration of the rellay handover will be at 8:45.

Relay

Public control (relay):

Placed near the Finish and may be approached without crossing the cordon. It's every team's resposibility to watch their runners. The distance from the public control till the Finish is 500-1300m, the time needed is 4-10 minutes for winners in different categories.

Quarantine: At the Middle distance championships (Saturday) there will be both Finish and Start quarantine.

Finish quarantine from 12:00 till 14:00 at the Finish and Event Center area (see the drawing). The runners must leave the Finish quarantine area until 12:00 while they may use the parking place for rest. Those trainers and other non-runner persons who had not left the Finish quarantine until 12:00, must not leave it until 14:00. There are tents for changing the clothes, toilets, washing facilities and buffet in the Finish quarantine. It is strongly recommended to build up your own tents and/or canopies before 12:00.

Start quarantine is **1000 m, 50 m climbing** from the EC. The Start quarantine must be entered until 14:00 and must not be left until the last start. Entering into the Start quarantine will be checked by "Control" SI-box. If anybody has not checked until 14:00 he/she will be disqualified. Arriving after 14:00 must not start at all. There are toilets and water for refreshment.

Start nubers: Must be weared both days. Please bring your own safety pins.

Terrain:

Difficult mountain terrain with elevations between 700 and 900 m. The terrain is characterised by technically challenging morphology as a result of mining activity and post-mining landslides. Ideal for middle distance race, with a lot of terrain details, rocky areas and swamps. Relatively simpler parts of the terrain require different orienteering and allow higher running speed.

Forbidden area:

The terrain shown on the map (http://admin.mtfsz.hu/fajl/get/fajl_id/13035/tipus/download) from 7th May2016 up to the days of competitions.

A part of the competition area is shown here: http://www.orienteering.sk/maps-new/jpg-gif/1224.jpg
